

CAMMACK AND WILCOX LIMITED (CW).

MASTER INTERNAL ENVIRONMENTAL, HEALTH AND SAFETY (EHS) POLICY STATEMENT.

SCOPE -

CW promote and encourage business growth in a controlled, healthy and safe manner with the safety and welfare of our employees, site visitors, members of public (*including other highway users*) and the environment (*natural wildlife/habitats*) being paramount.

This environmental, health and safety (EHS) Policy Statement lists a number of measurable aims and objectives in which CW are committed to meeting to assist and work towards continuous improvement throughout our business operations. In accordance with CW document keeping procedures this EHS policy statement shall be reviewed and revised at regular intervals.

EHS POLICY STATEMENT AIM/S –

- >Encourage and champion a strong and positive EHS culture throughout the company.
- >Identify negative impact/s CW operations have on the environment and natural wildlife/habitats.
- >Operate and implement a robust management system in accordance with all EHS legislation.
- >Encourage and select accordingly business contracts, services and suppliers.

EHS POLICY STATEMENT OBJECTIVES –

To assist with achieving these aims CW and our employees shall work towards/by the following -

- >Risk assess, communicate and record all significant EHS risks arising from CW operations.
- >Communicate on a regular/planned basis (*via consulting, listening, acting/responding accordingly*) to employees/members of public regarding EHS related issue/s arising from CW operations.
- >Provide information, instruction, site and training induction/s (*as required*) to CW employees and site visitors to ensure job tasks/activities are completed safely with minimal risk of harm.
- >Investigate, conclude and document findings resulting from all EHS accidents/incidents/near misses/spills and employee occupational health absence/s.
- >Implement, inform and promote CW waste and recycling reduction procedures.
- >Select, purchase and maintain safe products (*plant/equipment/machinery/vehicles*) and services (*suppliers/contractors*) that have the least risk of harm or negative impact on the environment and to CW business/employees.

EHS POLICY STATEMENT SIGN OFF -

As CW Director/owner: I date, print and sign below to confirm authorisation for this EHS Policy Statement to be issued and communicated as required to all relevant and necessary persons. Updates and reviews are to take place as planned unless circumstances require this prior.
