

CAMMACK AND WILCOX LIMITED (CW).

MASTER INTERNAL ENVIRONMENTAL, HEALTH AND SAFETY (EHS) POLICY STATEMENT.

POLICY-

CW promote and encourage business growth in a controlled and safe manner. The safety and welfare of personnel (employees, visitors, members of public etc) and the environment is paramount.

This policy assists CW to set measurable objectives in which we are committed to achieving. This in turn shall ensure continuous improvement throughout our business operations. CW strive to create a strong and positive EHS culture throughout in which management shall champion and encourage. To ensure CW continue to operate in a robust manner this policy shall be reviewed and revised (as required) every 12 months, unless this is required before. Policy statements shall be available for all personnel to access via our website.

SCOPE-

For the purposes of this policy the below terms and definitions shall be used and applied:-

TERMS	DEFINITIONS
EHS	Environmental, health and safety.
CW	Cammack and Wilcox Limited

OBJECTIVES-

To assist with achieving the above policy, CW management have set safety objectives. All CW personnel must work towards and adhere to these objectives (as far as reasonably practicable).

1. Communicate, identify and act accordingly to minimise negative impacts to the environment (including natural wildlife/habitats etc).
2. Consult, select and purchase from suppliers that operate in a safe and legal business.
3. Assess, record and act accordingly to all significant EHS risks arising from CW operations.
4. Consult and communicate as needed with personnel relating to arising EHS issues.
5. Determine and provide mandatory internal information, instruction and training to personnel.
6. Investigate, report and act accordingly to negative events impacting CW.
