

CAMMACK AND WILCOX LIMITED (CW).
MASTER INTERNAL QUALITY POLICY STATEMENT.

POLICY-

This policy shall assist Cammack and Wilcox Limited (CW) to provide and maintain high quality working standards throughout business operations. Policy is aimed to comply with quality standards ISO 9000/9001 (as far as reasonably practicable). At time of production policy content is accurate, some content may alter yet not captured prior to next review. In such instances updated procedures apply. CW Director has overall and final authority and responsibility is relation to all policy content, day to day management is assigned to (JA).

Non-compliances are investigated, managed and actioned accordingly. Employment contracts and terms shall be terminated immediately where gross misconduct. Illegal and criminal behaviours will be reported to relevant enforcing bodies.

AIMS-

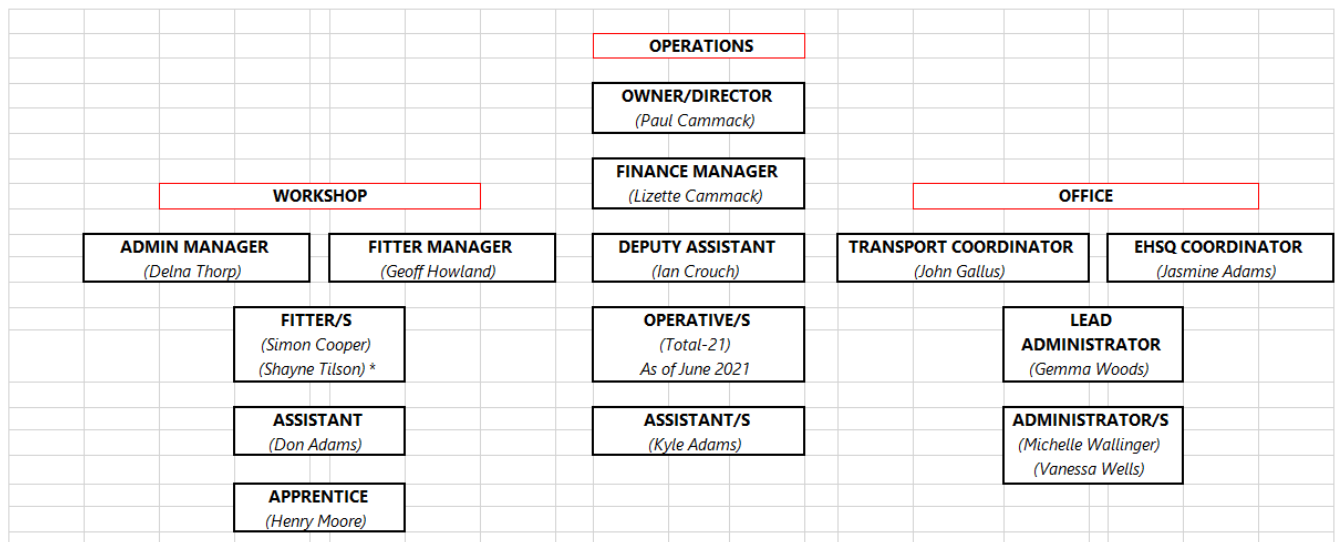

(As far as reasonably practicable), CW shall aim to: -

- > Communicate in a positive, professional and polite manner in all working instances.
- > Provide suitable quality information, instruction and training for all personnel (e.g. visitors).
- > Address, investigate and record complaints and negative feedback (and act accordingly).
- > Strive and aim towards providing and achieving continual improvement throughout.
